

R E M A R K S

This application is a continuation (divisional) application of my co-pending application Serial No.09/752,360, filed December ²⁹~~30~~, 2000, (actually it was filed Dec. 29, 2000 - correction request made in parent-application).

Please enter this amendment simultaneously with the filing of this continuing divisional application and prior to calculation of claim fees. No multiple-dependent form claims exist and no multiple-dependent claim fees apply.

The specification has been amended for formal improvement to comply with USA practice.

Claims 1-13 have been canceled without prejudice or disclaimer of the subject matter therein, and ^{Group II}claims 14-22 remain with minor formal amendment to claims 17-19 respectively which claims otherwise are exactly the same as the non-eleted claims of parent application 09/752,360.

The Examiner is respectfully requested to enter this Preliminary Amendment prior to calculation of the filing fee as of the filing date, and to provide an action on the merits.

Respectfully submitted
